How to Add Credly Badge to **Linked** in

Key Points

Ensure you have active accounts on Credly and LinkedIn.

Steps:

- Log in to Credly and locate the badge you want to add to LinkedIn.

- Click on the "Share" button found near the badge details.

- Connect your Credly and LinkedIn accounts if they're not already linked.

- Choose between "Add to profile" or "Share to Feed" options.

  - **If adding to your profile, the badge will appear in the "Licenses & Certifications" section.**

  - **If sharing to your feed, customize your message before sharing with your LinkedIn network.**

- Click "Share to LinkedIn" and review your changes before saving.
