

# HOW TO DELETE CONTACTS

01

## ▶ ACCESS "MY NETWORK"

Go to your LinkedIn homepage and click on "My Network" at the top.

02

## ▶ NAVIGATE TO "CONNECTIONS"

Select "Connections" from the left side menu.

03

## ▶ FIND THE CONNECTION

Scroll or search for the person you want to remove.

04

## ▶ REMOVE THE CONNECTION

Click on the "More..." button next to their name, then select "Remove connection" and confirm.

05

## ▶ VIA A CONNECTION'S PROFILE

Find the profile of the connection you want to remove, tap "More...", select "Remove connection", and confirm.

06

## ▶ CONFIRMATION

Once confirmed, the connection will be removed from your list without notification.

## NOTE

- You can hide content from a connection instead of removing it completely.
- Remove unfamiliar names in bulk to tidy up your address book.
- Endorsements disappear after contact removal and won't reappear after reconnection.
